(FIRST TERM & WORK HABIT)

ENGLISH: _____

ENGLISH: _____

SOCIAL STUDIES: _____

SOCIAL STUDIES: _____

MATH: _____

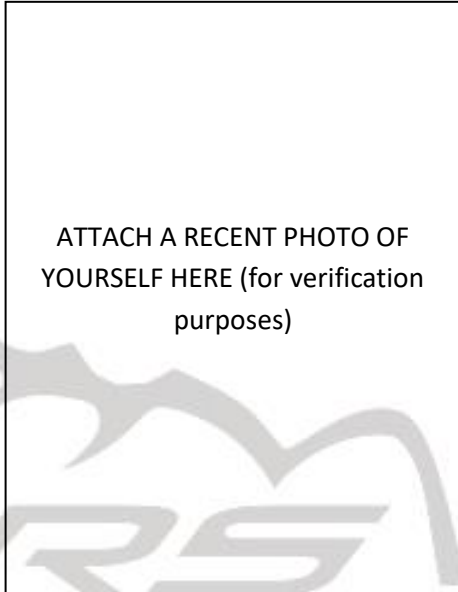

MATH: _____

LANGUAGE: _____

LANGUAGE: _____

PHE: _____

PHE: _____

The WGSS EDGE Academy is an integrated studies approach to learning. The outdoor classroom provides a multitude of learning environments that will enhance the teaching of existing curricula and provide other unique opportunities that will bring "learning to life" for our students.

Involvement in an outdoor education program has a cost factor. Students will be required to pay \$775 (divided into two installments). This money will cover the cost of transportation and toll or ferry costs, camp registrations, and accommodation expenses. The only additional costs will be for food during the overnight field trips.

Due to limited enrollment in the EDGE Academy, school administration will determine the students who are chosen for the program and establish a wait list, as necessary. Students with the approved pre-requisites will be given priority in the selection process.

Students enrolled in the EDGE Academy will be expected to have access to comfortable hiking shoes, a good quality sleeping bag, and water-proof outerwear. A limited supply of equipment is available upon request.

Course Adjustments

If you are selected for the EDGE program, you will have to adjust your courses. Your Math and English classes will automatically be changed over to the EDGE equivalent selections. **Please indicate below which classes you would like to drop to create space.**

Outdoor Education course to drop _____

Human Geography course to drop _____
