

Student Transcript Service

All Grade 12 students must have an account with the Student Transcript Service in order to see their final transcripts in July and beyond. At this time, 47 grade 12s have identified post-secondary institutions to receive the marks.

[Instruction on how to register for a BCeID and Student Transcript Service account](#)

Click [here](#) to skip the instructions and go directly to the Student Transcript Service.

Once students have applied to a post-secondary institution for fall 2021, the institutions will contact students and provide a student number, which the student will use to access the student portal of that institution. The portal will provide up-dates on the status of the student's application and will also provide direction on how and when to self-report interim/final grades. Students are encouraged to release their marks through the BC Ministry of Education - **Student Transcript Services** within a month of applying to institution(s).

To help students, we have attached a Self-Report/Transcript sheet as the final page of this newsletter. This information is also regularly up-dated and posted in the Application/Self-Report section of the counselling website: [LINK](#)

University Up-Dates

Simon Fraser University

SFU has announced a change to the deadline to complete online courses for admission to the Fall 2021, from January 31 to June 30. Note: *Any class completed after June 30 will not be used for admission decisions.*

University of Saskatchewan

Prospective students are invited to join the University of Saskatchewan online at [USASK EXPRESS](#), where students will be walked step-by-step through the application process.

USASK EXPRESS application workshops are offered on **November 10, 19 and 24, 2020** from 6:30-8:30 pm CDT. Each event includes application workshops, information sessions and a drop-in Q&A.

Ontario Universities – All you Need to Know

[OUInfo](#) is a guide to Ontario universities for high school students. It provides information about university programs, admission requirements and more.

OUInfo is a starting point for researching all Ontario university options. Students can search by program, institution, and category. There is also a very helpful scholarship database. For the most up-to-date information, consult the universities directly or [visit OUs' Info website](#).

University of Toronto

The deadline for BC students to apply to the University of Toronto is **November 7**. The deadline to submit documents is **November 15**.

If you need to submit documents (e.g. International students IELTS) and require testing, you must receive and send your results by this deadline.

Unique Law School Programs**University of King's (Halifax)**

King's students who complete the [Foundation Year Program](#) are provisionally pre-admitted to the [University of Calgary's Faculty of Law](#). Provisional admittance means students will have an advantage in the applicant pool but will still have to maintain scholarship standing throughout the remainder of their degree at King's and Dalhousie. King's students will still be required to write the Law School Admission Test and prove their social commitment through extracurriculars. Achieving a scholarship average in FYP and subsequent undergraduate degree will be deemed as meeting the University of Calgary's academic standards and provisional admission to the law program will be granted. A qualifying average will be recognized as at least a B plus (3.3) in FYP and an A minus (3.7) in subsequent years. [Link to more information](#)

Wilfrid Laurier University

Laurier's [Law Program](#) provides an **international learning experience** that is one of the **first of its kind** for a Canadian university. Students earn a Bachelor of Arts (BA) degree from Laurier and a Bachelor of Law (LLB) degree from the University of Sussex, United Kingdom (UK) in **only six years**. Participants in this program will be exposed to Laurier's commitment to social justice and global engagement and, as an added perk, an LSAT score is not required for admission.

This program is available with the following Laurier programs: [Political Science](#) and [Philosophy](#) on the Waterloo campus and [Criminology](#), [Human Rights and Human Diversity](#), [Humanities with Leadership Foundations](#) and [Law and Society](#) on the Brantford campus. [Link to more information](#)

Laurier allows students to study law internationally without the requirement to take the LSAT and then come back to Laurier so they can practice in Canada.

Ryerson University

Ryerson Law's Integrated [Practice Curriculum](#) is designed to provide students with the theoretical and practical knowledge required to launch successful legal careers soon after graduation. As part of Ryerson's commitment to experiential learning, students will receive hands-on mentorship throughout their degree and work with the latest technological innovations redefining legal practice today.

Ryerson believes lawyers need real-world experience to meet real-world challenges, which is why their Juris Doctor (JD) program includes a mandatory professional placement, as well as immersive bootcamps designed to teach students everything from coding to innovative business skills.
