

Grade 12 Literacy

A few weeks ago, UBC announced that they would be considering the Literacy 12 scores as one aspect of admission.

UBC: Grade 12 Literacy Announcement

*BC high school students graduating in June 2022 who receive a UBC offer of admission will be required to demonstrate a Proficient level of performance [= 3] on the Grade 12 Literacy Assessment to [maintain their offer of admission](#). This requirement must be completed by **June 30**, and final results are due by the **end of July**. Applicants who do not achieve Proficient on the assessment will have their offer of admission reviewed on a case-by-case basis.*

WGSS has checked with other institutions (e.g. SFU, UFV, U of T, Waterloo, U of A) and no other institution will be using the Literacy Assessment for admission consideration for Fall 2022. Please note, as the Grade 12 Literacy Assessment is a graduation requirement, all institutions require the completion of the Grade 12 Literacy Assessment for admission.

WGSS has scheduled Grade 12 students to take the Literacy Assessment as follows:

S1 English Language Arts 12 **January**
S2 English Language Arts 12 and
English First Peoples 12 **April**
Rewrite opportunity **June**

Students can write the Assessment up to three times. Students may investigate more about the Assessment [here](#).

Student Transcripts

All Grade 12 students must have a **Student Transcript Service (STS) account** to view and print their final transcript. An account is also required for post-secondary institutions to view marks when students apply and/or to receive final transcripts in July.

Instructions and videos are available in the Transcript section of the Counselling website: [LINK](#)

Once students have applied to a post-secondary institution for Fall 2022, the institutions will contact students and provide a student number, which the student will use to access the student portal of that institution. The portal will provide up-dates on the status of the student's application and will also provide direction on how and when to self-report interim/final grades.

University Up-Dates

Simon Fraser University

Applicants for September 2022, SFU will not consider the results of the Grade 12 Literacy Assessment in the admission evaluation process for September 2022. Applicants to SFU will be evaluated only on their approved grade 11 and approved grade 12 coursework. *
