

## **WGSS + Langley School District Foundation Scholarship Workshop**

**Wednesday, December 1, at 3:00 pm in the Library**, our counselling team will be hosting a Scholarship Workshop. Students who are interested in applying for the Langley School District Foundation Scholarships, WGSS Scholarships, and the District Authority Awards, should plan to attend this presentation. The presentation will not be recorded but the PowerPoint will be posted on the Counselling [website](#) the day after the presentation.

Students will need to request to be added to the **“2022 WGSS Scholarship Team”** in order to access the application documents. The Team will go live on **Monday, December 6**. The completed application, with supporting documents, is due at **NOON, March 8, 2022**.

## **Student Transcripts**

Instructions and videos on how to set up an STS Account are available in the Transcript section of the Counselling website: [LINK](#)

A few students only created an account and didn't select any institution and others mistakenly selected "Send my transcript now" instead of leaving it as the default. Students who did this are encouraged to go back and correct it to "Send my transcript now and allow this Post-Secondary Institution to request transcript updates until the date specified below." To ensure there are no issues with their PSI application process, it is also recommended that students leave the authorization period set to the default date of one year.

As of November 27, 125 students have created an STS account and made their PSI selections; **260 students still need to complete this process**. Capstone teachers and Counsellors have the list, should you wish to check your selections.
